

# Heehyeon Han

Human-Centered Designer

## EXPERIENCE

### 3D Designer – *Ditaas* | Seoul, South Korea

OCT 2023 – JAN 2024

- Optimized and refined AI-generated 3D assets in Blender for Virtual Reality applications.

### Associate Asia – *Esther Schipper GmbH* | Seoul, South Korea

SEP 2021 – JAN 2023

- Coordinated the establishment and opening of the Esther Schipper Korea branch.
- Planned and managed domestic art fairs, including Frieze Seoul (2022), KIAF (2022), and Art Busan (2021).
- Handled sales and VIP relations for international and domestic art fairs, such as Frieze Seoul (2022), KIAF (2022), Art Basel (2022), Art SG (2022), and Art Busan (2021).
- Translated exhibition materials—including dossiers, press releases, and artists' notes—across English, Chinese, and Korean.

### Studio Assistant – *Meyerson Studio* | Seoul, South Korea

APR 2020 – AUG 2021

- Contributed to studio production by creating sketches, utilizing laser-cut stencils, and developing digital layers.
- Served as an artist liaison, facilitating collaborations with galleries, government institutions, and corporate partners.
- Coordinated art exhibitions and fairs for Jin Meyerson, including events such as HK Basel, KIAF, Johyun Gallery, and Gallery 2.
- Translated exhibition materials, essays, catalogs, press releases, and artist's notes, from English to Korean.

### Student Intern – *Christie's Auction House* | Beijing, China

FEB 2018 – AUG 2018

- Researched and evaluated emerging artists in multiple galleries to identify opportunities for collaboration.
- Reviewed and refined written materials, including catalog content, to ensure consistency with the voice and branding of the auction house.
- Coordinated and scheduled events, optimizing logistics to deliver exceptional guest experiences.

## COMMUNITY SERVICE

### Community Center for Children (Gangnam)

SEOUL, SOUTH KOREA | JAN 2019 – JUN 2021

- Provided English, Math, and Korean instruction to children aged 10 to 17, addressing educational gaps for students facing economic hardships or limited parental support.

### SangYuan Middle School

HEBEI, CHINA | MAR 2016

- Developed educational programs in rural China, focusing on core subjects, student motivation, and a positive learning environment for children with limited resources.

## EDUCATION

### Carnegie Mellon University

Pittsburgh, PA | AUG 2025 – MAY 2026
